STORYLINE

Someone has stolen the Music Keys and released the music they held. Without the Music Keys, the unstable power of the music is wreaking havoc on the land. Mario must recover them before the chaos destroys the entire Mushroom Kingdom! The path to the keys is simple: Left, Right, Up, Down, Right, Down ...

CHARACTERS

Mario, Luigi, Toad, Waluigi, Wario, Bowser

HOW TO PROGRESS THROUGH THE GAME

In Dance Dance Revolution: Mario Mix, players clear levels by performing the correct steps. Once they clear all the levels in a particular world, they'll collect a Music Key. Collect all the Music Keys to win.

SPECIAL FEATURES

Players control Dance Dance Revolution: Mario Mix by stepping on different arrows on the Action Pad (included with game). Players can finally experience the thrill of stomping Goombas and other enemies firsthand. As players clear songs, they will unlock more songs, minigames and difficulty levels.

Description

DANCE DANCE REVOLUTION comes to the Game Cube with Konami's DANCE DANCE REVOLUTION: MARIO MIX. Now, gamers unfamiliar with the popular dancing game can see what the craze is all about by helping out everyone's favorite plumber and his friends. DDR: MARIO MIX is set up to be an introduction to the DDR series, and thus perhaps isn't the DDR game for long-term dancers. Instead, the story mode is designed to introduce new dancers to the DDR system. The evil Waluigi has stolen the Mushroom Kingdom's music keys, and without them, all the inhabitants end up dancing around mindlessly. It's up to Mario to dance his way through the various levels to return them. One unique thing about DDR: MARIO MIX is that it's not just about hitting the right arrows. Instead, dancers have to deal with environmental issues like icicles or Koopa Troopas. Stomping on the turtles sends them inside their shells, which gamers can then step on to shot them at enemies. There are also boss battles where different steps will cause different things to happen on screen. In addition to difficulty mode, there are several other modes. Gamers can play all the of the mini-games they come across in story mode and dance to any song in free mode. Songs can be played with or without the environmental additions. New DDR fans will be excited to see the series finally come to the Game Cube, and Mario fans will also enjoy the game's hilarious story.

Special Features

Players shake their things to more than 25 dance flavored songs, from classic Nintendo themes to familiar favorites. With five difficulty levels, dancers of all abilities will be able to get into the groove; have fun getting in shape! The special Workout feature tracks the calories burned while playing.
